A Community of Professionals Improving the Future of Australian Industry

Are you looking for an industry specialist?

Are you tired of the hit-or-miss approach of using search engines to find your training or advisory needs?

Industry Partners Australia (IPA) has over 30 years of unparalleled experience and is regarded as a trusted partner within major industries. To support our mantra of "Solutions Begin With A Conversation", we can now offer industry professionals and companies the opportunity to connect with some of Australia's finest independent trainers and advisers through IPA Collective.

These specialists are selected because of their experience, capabilities, innovation, proven track record, and commitment to delivering nothing short of the best.

Whether grappling with intricate challenges or seeking innovative solutions, our IPA Collective Industry Specialists are primed to deliver excellence.

Finding reliable training or advisory specialists is effortless – just download our free app and connect with confidence.
